LORILLARD'S YACHT CLUB

Smoking is so popular, that many imitations
have become so numerous, that it is necessary
to be on the alert. The genuine is extracted
by a patent process, it does not injure weak
constitutions. Persons of sedentary occupa-
tions, as well as students and literary men,
will find none of the injurious after effects,
resulting from ordinary tobacco. It is much
lighter in weight than common tobacco, and a
pound will last twice as long, or twice as much.
It does not clog the pipe, nor burn the tongue.
